

O.S. SYSTEMS, INC.

SPIRIT SURFACE WATER DRYSUITS

(WATERPROOF / BREATHABLE)

OS SYSTEMS makes its own drysuits in Scappoose Oregon, USA. OS SYSTEMS offers three waterproof/breathable models, the full featured SPIRIT, the economy SPIRIT-EC, and the SPIRIT-KS (full featured with a spray skirt cover), in 19 standard sizes, plus full custom sizing. In addition, OS can individually design and make your drysuit with the features you choose. The SPIRIT-KS is shown on the back of this flyer.

SPIRIT (Full Featured)

SPIRIT Includes These Additional Features

- * **Fabric Socks:** Waterproof/breathable fabric socks.
- * **Shin Guards:** Neoprene padded Shin Guards inside the Knee Pads provide impact protection.
- * **Zipper Covers:** The entry zipper has a neoprene padded Cordura zipper cover for extra protection.
- * **Overlays:** Micro/neoprene Neck Wrap™ w/zipper, and Cordura/neoprene Wrist Wraps™/Ankle Wraps™ protect the neck seal, the wrist seals and the fabric socks.
- * **Models Shown:** Includes optional #8 brass tooth entry zipper, men's style relief zipper, Small Bellows Pocket on the upper left arm, and Large Bellows Pocket on the outside of the right leg.

SPIRIT-EC (Economy)

Also available in a Back Entry version (K2-BEC)

CHOOSE OPTIONS & UPGRADES: Latex or Neoprene Neck Seals, Size of Neck/Wrist Seals and/or socks, Latex Neck Seal pretrimmed and/or prestretched, Bellows or MARSEC Pockets (S, M, or L), #8 Brass Tooth Entry zipper, Relief Zipper, Neck/Wrist/Ankle Wraps, Neoprene Shin Guards, Cordura Elbow Pads, SOLAS Reflective tape, Recoil Pad, Team Patch attached.

SPIRIT-KS - The SPIRIT Drysuit with a built in spray skirt cover, Micro Zipper Cover, and Cordura Elbow Pads.

Features on all SPIRIT Drysuits

* **Material:** MICRO™ fabric is a three ply laminate consisting of a micro denier, nylon base fabric, a waterproof/breathable microporous barrier membrane, and a tricot fabric inside layer.

* **Seams:** Seams are double stitched for strength, and fusion sealed on the inside for water tightness.

* **Design:** Designed with Freedom Cut™ features for complete and unrestricted freedom of movement. Sidearm Panel Gussets™ extend all the way from each elbow down the arm to the waist. The Crotch Gusset extends from one ankle through the crotch and all the way down to the opposite ankle for unparalleled fit, function and freedom of movement.

* **Waist:** Internal AC Waist™ (Adjustable Cord Waist™) streamlines the fit and reduces drag. Everything is internal to prevent potentially dangerous snagging.

* **Suspenders:** Internal installed suspenders improve fit and function.

* **Colors:** Top & Bottom – Electric Blue, Garnet Red, Sunset Yellow, Fiesta Orange, Neon Limon, Charcoal Black, Pewter, Woodland Camouflage.

* **Entry:** Front diagonal entry TIZIP MasterSeal zipper for guaranteed water tightness.

* **Reinforcing:** Cordura® Butt Pad and Knee Pads for protection, strength and improved slip control.

* **Seals:** LongLife Latex™ commercial grade rubber neck, wrist, and sock seals are thicker and more durable. These seals are easily replaceable.

"www.ossystems.com/manuals", and "www.ossystems.com/maintenanceandrepair/index.html".

* **Footwear:** The SPIRIT and SPIRIT-KS both come with waterproof/breathable fabric socks. The SPIRIT-EC and the K2-BEC come with latex socks.

NOTE: OS SYSTEMS strongly recommends using non-attached boots or footwear for the best individual fit, the best lace up ankle support, and the best walking and traction sole. Do not walk in these drysuit socks without the protective footwear.

* **Testing:** Each drysuit is individually tested under pressure and under water to guarantee water tightness.

* **Warranty:** Two year limited warranty. See “ossystems.com”.
